See also Miscellaneous Statement filed contemporaneously with this amended notice for additional information. Notice is amended to correct the name of candidate for an independent expenditure of \$9107 on 10/16/2014 to reflect support for Terri Lynn Land. The independent expenditure originally filed correctly included the date, amount, seat and state. The candidate name was originally listed as in support of William Cassidy due to a data operator error when using the clone function for transaction entry. This notice includes transactions in varied status entries, e.g., disseminated but not disbursed, creating various patterns in the upload data; the inclusion of such data creates a mixed pattern in the upload data. When such a varied data set is present in a notice, it is not possible to predict/verify in advance of filing, via functions, reports or a print engine currently available in the FFS, how the software will populate the Calendar Year-To-Date Per Election totals upon filing. The IE was accurately reported on the Pre-General 3X form, including the candidate's name, in the report originally filed 10/22/2014 (Filing ID FEC-965546, and by the amended report Filing ID FEC-960400). The Pre-General has been amended contemporaneously with the filing of this amended notice in order to revise transaction descriptions, and unrelated to the IEs listed in this notice.
